RE: Registered Employment Agreement (Construction Industry Pensions Assurance and Sick Pay).
Registered Employment Agreement (Electrical Contracting Industry - Articles 22 and 23).

THIS IS A LETTER OF COMPLIANCE IN RESPECT OF •Teagasc Classroom Development at the National Botanic Gardens.

Under the aforementioned Registered Employment Agreements, the provision of Pension, Mortality and Sick Pay cover is a legal requirement for all contractors/sub-contractors working in the construction/electrical industries and it applies to all manual employees between the ages of 20 and 65 years.

This is confirmation that A & L Electrical Ltd is registered with the Construction Workers Pension Scheme (CWPS) and contributions are paid up to date for the 17 employees registered in CWPS.

Please note that this confirmation does not cover any sub-contractors that the above firm may use during the course of its contract. Should you have any queries regarding the compliance of sub-contractors to the aforementioned Registered Employment Agreements, please ask them to provide you with a letter of compliance.

This letter of compliance should be presented as an original and is issued in good faith based on the information supplied to CWPS by the above employer and to the best of our knowledge is correct at date of issue as stated above.

Yours faithfully,

Tunde Benedek
