### **Quality Policy Statement**

It is the policy of A & L Electrical Ltd. that the company be committed to operating a 'Quality Assurance System' which is in accordance with IS.EN.ISO 9001 : 2008 in order to be in a position to demonstrate to the satisfaction of the Client that the company meets and exceeds all aspects of the specification requirements of a particular contract.

To this end it is the aspiration of A & L Electrical Ltd. to attain certification of our Quality Management System (QMS) to the requirements of IS.EN.ISO 9001 : 2008 and to register within a recognised Certification scheme for approved Quality Management Systems.

The company are currently engaged in an internal review of our QMS with a view to engaging the services of an external consultant to assist in the process of bringing our systems into line with the requirements of such a scheme.
